RECENT DEVELOPMENTS AND INFORMATION INCORPORATED BY REFERENCE

On 13 May 2011 ING Groep N.V. (“ING Group”) completed its previously announced planned repurchase from the Dutch State of EUR 2 billion of the outstanding Core Tier 1 Securities at a 50% premium. Further details of this repurchase are included in the press release (the “Completed Repurchase Press Release”) published by ING Group on 13 May 2011 entitled “ING pays EUR 3 billion to Dutch State for second tranche of core Tier 1 securities, including a 50% premium”, a copy of which has been filed with the AFM and, by virtue of this Supplement, is incorporated by reference in, and forms part of, the Registration Document.

On 16 June 2011 ING Group announced that it has reached an agreement to sell ING Direct USA for a total consideration of USD 9.0 billion to Capital One Financial Corporation. Under the terms of the agreement, ING will receive USD 6.2 billion in cash and USD 2.8 billion in the form of 55.9 million shares in Capital One. In connection with the sale of ING Direct USA, ING has reached an agreement with the Dutch State to adjust the structure of the Illiquid Assets Back-up Facility (IABF). The amendment serves to delink the IABF from ING Direct USA by putting ING Bank in its place as counterparty for the Dutch State. The IABF is further amended to ensure a continued alignment between ING and the Dutch State regarding exposure to the Alt-A portfolio.

Further details regarding these developments are included in the press release (the “ING Direct USA Sale Press Release”) published by ING Group on 16 June 2011 entitled “ING to sell ING Direct USA to Capital One”, a copy of which has been filed with the AFM and, by virtue of this Supplement, is incorporated by reference in, and forms part of, the Registration Document.

Please note that ING Group is not responsible for production of the Registration Document.
