Amendments to the Summary

The Summary shall be amended by virtue of this Prospectus Supplement, as follows:

- (a) Element B.2 (*Domicile, legal form, legislation and country of incorporation of the Issuer*), on pages 2 to 3 of the Original Base Prospectus shall be deleted in its entirety and replaced with the following:

"B.2 Domicile, legal form, legislation and country of incorporation of the Issuers"	<p>[GSI is a private unlimited liability company incorporated in England and Wales. GSI mainly operates under English law. The registered office of GSI is Peterborough Court, 133 Fleet Street, London EC4A 2BB, England.]</p> <p>[GSW is a company with limited liability (<i>Gesellschaft mit beschränkter Haftung</i>) incorporated under the laws of Germany. GSW mainly operates under the laws of Germany. The registered office of GSW is MesseTurm, Friedrich-Ebert-Anlage 49, 60308 Frankfurt am Main, Germany. GSW is registered under the number</p>
--	--

HRB 34439 in the commercial register of the local court of Frankfurt am Main since 27 November 1991.]

[GSFCI is a public limited liability company incorporated in Jersey. GSFCI mainly operates under Jersey law. The registered office of GSFCI is 22 Grenville Street, St. Helier, Jersey JE4 8PX.]"

- (b) Element B.4b (*Known trends with respect to the Issuer*), on page 3 of the Original Base Prospectus shall be deleted and replaced with the following:

"B.4b **Known trends with respect to the Issuers** [GSI's prospects will be affected, potentially adversely, by developments in global, regional and national economies, including in the United Kingdom, movements and activity levels, in financial, commodities, currency and other markets, interest rate movements, political and military developments throughout the world, client activity levels and legal and regulatory developments in the United Kingdom and other countries where GSI does business.]

[GSW's management is targeting a strong increase in issuance activity. This is due to increased client demand in warrants and structured products, particularly in the German market, as well as additional distribution channels by GSI. Furthermore it is expected that in a volatile market there will be a multitude of follow-up issuances in the area of turbo warrants, mini-futures and bonus certificates. In addition, it is planned to offer further types of warrants and structured products. Previously implemented enhancements to the issuance process allow the issuance of new warrants and certificates to be almost fully automated. Issuance activity in the Netherlands is expected to remain at the current level, as the securities issued into the Dutch market do not have a predetermined maturity date by default, and it is assumed there will not be a great need for follow-up issuances. Issuer's management is part of the firmwide considerations on the UK's exit from the European Union. GSW has considered the impact of multiple scenarios, ultimately this is not expected to have a direct impact on GSW's business model as it could continue to engage with affiliates as it does today.]

[Not applicable; there are no known trends affecting GSFCI and the industries in which it operates.]"

Amendments to the Base Prospectus

The Base Prospectus, as supplemented prior to this Prospectus Supplement, is amended and supplemented as follows:

1. Amendments to the section entitled "Risk Factors"

The information in the section entitled "Risk Factors" is amended and supplemented by deleting sub-section 2 entitled "Risks relating to GSFCl", on pages 75 to 76 of the Original Base Prospectus) and replacing it with the following:

"4. Risks relating to GSFCl

The following are further specific risks relating to GSFCl.

Risks relating to the commercial activity of GSFCl

GSFCI was established only for the purpose of issuing securities, lending these proceeds to affiliates and entering into derivatives transactions with its affiliates for hedging purposes, and does not carry out any other operating business activities. **You will therefore be exposed to a significantly greater credit risk by purchasing the Securities compared to securities issued by an issuer equipped with significantly more capital.**

GSFCI is an indirect, wholly-owned subsidiary of GSG and depends on GSG for capital. All of GSFCI's unsecured debt issuances are guaranteed by GSG.

If GSFCI fails or goes bankrupt, an investment in a Security may mean a complete loss of the invested amount if the loss cannot be satisfied by the Guaranty from GSG. You should note the Securities are not covered by a deposit protection fund or similar safety system in relation to the claims of holders of Securities in the case of an insolvency of GSFCI.

Risks relating to economic and market conditions

GSFCI is primarily involved in the issuance of securities in a number of markets and the proceeds from these securities are lent to affiliates. GSFCI also enters into derivative transactions with affiliates for hedging purposes. The activity of GSFCI and its annual issuance volume is affected both by positive and negative developments in the markets where it carries out its business activity. A difficult general economic situation may lead to a lower issuance volume. The market of these securities depends particularly on the development of capital markets, which are in turn affected by the general situation of the world economy, as well as the economic and political conditions in the respective countries.

Risks relating to liquidity

GSFCI is an indirect, wholly-owned subsidiary of GSG and depends on GSG for capital. All of GSFCI's unsecured debt issuances are guaranteed by GSG. The credit ratings of GSG are important to GSFCI's liquidity. A reduction in GSG's credit ratings could adversely affect GSFCI's liquidity and competitive position, increase borrowing costs or limit access to the capital markets. There is no rating of GSFCI regarding its credit risk by renowned rating agencies such as Moody's Investors Service or Standard & Poor's Ratings Services.

GSFCI's liquidity could be impaired by an inability to access unsecured debt markets, an inability to access funds from GSG, or unforeseen outflows of cash.

Risks relating to credit markets

Widening credit spreads for GSG, as well as significant declines in the availability of credit, could adversely affect GSFCI's ability to borrow on an unsecured basis. GSFCI issues securities, the proceeds of which are onward lent to GSG and/or its subsidiaries. Any disruptions in the credit markets may make it harder and more expensive to obtain funding for the Group's businesses."

History and Development of Goldman, Sachs & Co. Wertpapier GmbH

Goldman, Sachs & Co. Wertpapier GmbH ("GSW") was established by means of a notarial deed dated 6 November 1991 for an indefinite period. GSW is a company with limited liability (*Gesellschaft mit beschränkter Haftung*) incorporated under the laws of Germany. It has its seat in Frankfurt am Main and has been registered under the number HRB 34439 in the commercial register of the local court of Frankfurt am Main since 27 November 1991.

The business address and telephone number of GSW are:

Goldman, Sachs & Co. Wertpapier GmbH
MesseTurm
Friedrich-Ebert-Anlage 49
60308 Frankfurt am Main
Germany
Telephone: +49 69 7532 1111

GSW Overview

GSW was established for the purpose of issuing securities, in particular warrants. Apart from warrants, GSW also issues certificates and structured bonds. The securities issued by GSW are sold to GSI. For issuances in Germany, Goldman Sachs Bank Europe SE, Frankfurt am Main acts as the issuing and paying agent and undertakes the processing of all products issued by GSW and deposited with Clearstream Banking Frankfurt. For products deposited with other clearing systems, GSI undertakes these tasks.

The purpose of GSW is to issue fungible securities and to carry out financial transactions and auxiliary transactions for financial transactions. GSW is neither engaged in banking transactions within the meaning of Section 1 of the German Banking Act (*Kreditwesengesetz*) nor in business operations within the meaning of Section 34c German Industrial Code (*Gewerbeordnung*).

GSW arranges hedging transactions with affiliated companies to hedge against any market risks. This places GSW in the position to meet its obligations in accordance with the securities issued.

GSW operates its business primarily in Germany and in the Netherlands and, to a lesser extent, in other European countries including Austria, Switzerland, Luxembourg and the United Kingdom.

Organisational Structure

GSW is a wholly-owned subsidiary of The Goldman Sachs Group, Inc. ("**GSG**"). GSG, together with its affiliated companies, is a leading international investment bank. Through its offices in the USA and the leading financial centres of the world, GSG is active in the financial services industry, divided into the segments (i) Investment Banking which includes advice with respect to mergers and acquisitions, divestitures, restructurings and spin-offs as well as public offerings and private placements of a wide range of securities and other financial instruments, (ii) Institutional Client Services which includes client execution activities related to making markets in credit products, interest rate products, mortgages, currencies, commodities and shares, (iii) Investing and Lending which includes investments (directly and indirectly through funds) and loans in various asset classes as well as investments by Goldman Sachs in consolidated investment entities and (iv) Investment Management.

The share capital of GSW amounts to EUR 51,129.19 and has been paid in full. All shares are held by GSG.

Trend Information

Management is targeting a strong increase in issuance activity. It is assumed that interest in leveraged products, especially warrants and turbos, as well as structured products will increase. It is planned to extend the offer of leveraged products and structured products, especially warrants, discount certificates and factor certificates. Furthermore, it is expected that in a volatile market there will be a multitude of follow-up issuances in the area of turbo warrants, mini futures and bonus certificates due to the fact that the barrier has been breached. In addition, it is planned to offer further types of leveraged products for the financial year. Also, further enhancements to the issuance process allow the issuance of new structured products to be almost fully automated. Issuance activity in the Netherlands is expected to remain at the current level as the securities issued into the Dutch market do not have a fixed maturity date and since a need for follow-up issuances in the field of low leverages is not expected. GSW is part of the firmwide considerations on the UK-Brexit, in particular focusing on potential impacts on GSW's business model.

Management

The managing director (*Geschäftsführer*) of GSW is Michael Schmitz.

Michael Schmitz is Managing Director at GSI, Frankfurt branch (*Zweigniederlassung Frankfurt*).

GSW may be represented by a managing director jointly with another managing director or jointly with a holder of general commercial power of representation (*Prokurist*) or jointly by two holders of general commercial power of representation (*Prokuristen*). The managing directors are exempt from the restrictions of Section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*) and can be reached via the business address of GSW at MesseTurm, Friedrich-Ebert-Anlage 49, 60308 Frankfurt am Main, Germany, telephone +49 69 7532 1111.

There are no potential conflicts of interest between the obligations of the managing directors with regard to GSW and their private interests and other obligations.

GSW has neither an advisory board nor a supervisory board.

GSW has an audit committee (*Prüfungsausschuss*) in accordance with section 324 of the German Commercial Code (*Handelsgesetzbuch*). The members of the audit committee (*Prüfungsausschuss*) are Dr. Matthias Bock, Michael Bartsch and Pierre Kieffer. The main tasks of the audit committee (*Prüfungsausschuss*) are the supervision of the legality and usefulness of the accounting and the accounting processes as well as the effectiveness of the internal control system and the risk management system. It also supervises the effectiveness of the internal audit department.

The German Corporate Governance Code is not applicable to GSW. The Corporate Governance Code is not mandatory for companies which are not listed on stock exchanges. GSW does not apply the Corporate Governance Code on a voluntary basis.

Memorandum and Articles of Association

GSW has its seat in Frankfurt am Main and has been registered under the number HRB 34439 in the commercial register of the local court of Frankfurt am Main.

According to section 2(1) of the articles of association, the purpose of GSW is to issue fungible securities and to carry out financial transactions and auxiliary transactions for financial transactions. GSW does not conduct any activities which require a banking licence according to the German Banking Act (*Kreditwesengesetz*) or a trading licence (*Gewerbeerlaubnis*).
