Upon the occurrence or likely occurrence, as determined by the Calculation Agent, of any of the following events relating to an Underlying (the Affected Underlying) on or after the Issue Date:

- (i) **Change in Law** means in respect of Notes that have one or more Underlying(s) and/or Reference Entity(ies) and/or Bond(s), that, on or after the first to occur of (a) the Issue Date, (b) the trade date of any Hedge Position, and (c) the first Valuation Date of the Notes (if applicable) (i) due to the adoption of, or any change in, any applicable law or regulation (including without limitation, any law or regulation in respect of tax, solvency or capital requirements and, with respect to SGI Index Linked Notes only, any regulation, rule or procedure of any Exchange on which any Index Component or any component thereof is traded) (the **Applicable Law and Regulation**) or (ii) due to the promulgation of or any change in the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law or regulation (including any action taken by a taxing authority or brought in a court of competent jurisdiction), the Calculation Agent determines in good faith that (i) it has become illegal for Société Générale or any of its affiliates to maintain the agreement entered into with Société Générale or any of its affiliates by the Issuer of the Notes relating to the Underlying of the Notes ~~(the Affected Underlying)~~.
- (ii) **Hedging Disruption** means, unless it being specified as “Not Applicable” in the applicable Final Terms in respect of Notes that have one or more Underlying(s) and/or Reference Entity(ies) and/or Bond(s), that Société Générale or any of its affiliates is unable, after using commercially reasonable efforts, to either (a) acquire, establish, re-establish, substitute, maintain, unwind and/or dispose of any transaction(s) or asset(s) it deems necessary to hedge the market risk (or any other relevant price risk including, without limitation, the bond price risk, credit price risk, currency risk, equity price risk, dividend risk, interest rate risk, foreign exchange risk, warrant price risk) of entering into and performing its obligations with respect to the Notes or any agreement entered into by the Issuer with Société Générale or any of its affiliates in relation to the Notes; or (b) freely realise, recover, receive, repatriate, remit or transfer the proceeds of any Hedge Positions or any agreement entered into by the Issuer with Société Générale or any of its affiliates in relation to the Notes (either between accounts within the jurisdiction of the Hedge Positions (the **Affected Jurisdiction**) or, as the case may be, from accounts within the Affected Jurisdiction to accounts situated outside of the

Affected Jurisdiction); or (c) (only in the case of Bond(s)) receive or be likely to receive under the Bond(s) the payment of any sum due and payable under the Bond(s), but without a Bond Event Determination Date having occurred.

In addition, for Shares traded through the China Connect Services, the definition of Hedging Disruption is completed as follows: "using commercially reasonable efforts" to hedge the risks with respect to the transaction(s) referred to in Hedging Disruption does not include the use of any quota granted to Société Générale or its Affiliates under the Qualified Foreign Institutional Investor (QFII) or Renminbi Qualified Foreign Institutional Investor (RQFII) schemes.

- (iii) **Increased Cost of Hedging** means, unless it being specified as "Not Applicable" in the applicable Final Terms in respect of Notes that have one or more Underlying(s) and/or Reference Entity(ies) and/or Bond(s), that Société Générale or any of its affiliates would incur a materially increased (as compared with circumstances existing on the date(s) on which Société Générale or any of its affiliates enters into the Hedge Positions in respect of the Notes) amount of tax, duty, expense or fee (other than brokerage commissions) to (a) acquire, establish, re-establish, substitute, maintain, unwind or dispose of any transaction(s) or asset(s) it deems necessary to hedge the market risk (or any other relevant price risk including, without limitation, the bond price risk, credit price risk, currency risk, equity price risk, dividend risk, interest rate risk, foreign exchange risk, warrant price risk) of entering into and performing its obligations with respect to the Notes or any agreement entered into by the Issuer with Société Générale or any of its affiliates in relation to the Notes or (b) freely realise, recover, receive, repatriate, remit or transfer the proceeds of any Hedge Positions or any agreement entered into by the Issuer with Société Générale or any of its affiliates in relation to the Notes.
- (iv) **Holding Limit Event** means, except in case of Bond Linked Notes, assuming the Hypothetical Investor is Société Générale and/or any of its affiliates, that Société Générale together with its affiliates, in aggregate hold, an interest in any one restricted Underlying or Underlying component, as the case may be, constituting or likely to constitute (directly or indirectly) ownership, control or the power to vote a percentage of any class of voting securities of the Underlying, or the Underlying component or, of the issuer of such Underlying or such Underlying component, in excess of a percentage permitted or advisable, as determined by Société Générale, for the purpose of its compliance with the Bank Holding Company Act of 1956 as amended by Section 619 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the **Volcker Rule**), including any requests, regulations, rules, guidelines or directives made by the relevant governmental authority under, or issued by the relevant governmental authority in connection with, such statutes.
- (v) In respect of any Underlying that is a Share, a Depositary Receipt, a Preference Share or a Warrant, **Insolvency Filing** means, in respect of Notes that have one or more Underlying(s) that the Company institutes or has instituted against it by a regulator, supervisor or any similar official with primary insolvency, rehabilitative or regulatory jurisdiction over it in the jurisdiction of its incorporation or organisation or the jurisdiction of its head home office, or it consents to a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition is presented for its winding-up or liquidation by it or such regulator, supervisor or similar official or it consents to such a petition, provided that proceedings instituted or petitions presented by creditors and not consented to by the Company shall not be deemed an Insolvency Filing.

~~In case of the occurrence of an event defined above relating to an Affected Underlying,~~ the Calculation Agent may:

- A. consider such event as an event triggering an early redemption of the Notes (hereafter, an **Early Redemption Event**). In that case, the Issuer shall terminate its obligations under the Notes and shall pay or cause to be paid an Early Redemption Amount on the basis of

the Market Value as defined in Condition 5.9 of the General Terms and Conditions of the Notes; or

- B. replace the Affected Underlying by a new underlying which is representative of the same economic or geographic sector; or
- C. apply Monetisation until the Maturity Date (as defined in Condition 5.18 of the General Terms and Conditions);

V. Changes in section “Additional Terms and Conditions relating to Secured Notes”

The definition of “Standard Order of Priority” in Section 1 “Definitions” on page 706 of the Additional Terms and Conditions relating to Secured Notes is deleted and replaced by the following:
